

Project to Support Victims of Natural Disasters

Objectives:

To help and support the victims of natural disasters in collaboration with the PTT Group.

Priority Area:

Quality of life

Background: To alleviate the suffering of people affected by various natural disasters, Thailoil Group has collaborated with the PTT Group to proactively aid affected individuals in the event of a disaster.

Approach:

1. Monitor natural disaster situations throughout the country.
2. Provide assistance within the Company's operational areas.
3. Coordinate with the PTT Group to extend assistance to areas outside of the Company's operational areas.

Performance 2023: As a result of the flooding situation in Pattani Province, caused by heavy and continuous rainfall, which caused residents in the area to be affected by flooding. Thailoil Group, together with PTT Public Company Limited, provided assistance to affected individual by donating 1,000 survival bags to help food victims in the area, which benefited approximately 1,000 households.
